Center for Environmental Management of Military Lands
Colorado State University
Ft. Collins, CO 80523-1500

Jennifer Elsken, Cultural Resources Manager
Conservation Branch
Directorate of Public Works
U.S. Army Garrison Alaska
Fort Richardson, AK

January 2006

ACKNOWLEDGEMENTS

In addition to the author, the field crew members contributed valuable labor, expertise and effort to undertake the work conducted in the 2005 season:

Fort Wainwright and Fort Richardson field crew members:

Cyrena Udem (Forts Wainwright and Richardson field crew chief)

William Finch (Forts Wainwright and Richardson)

Kristen Klein (Forts Wainwright and Richardson)

James Devereaux (Forts Wainwright and Richardson)

Johanna Deacon (Fort Wainwright)

TABLE OF CONTENTS

1.0	INTRODUCTION	1
2.0	FORT WAINWRIGHT	2
2.1	Bivouac Pad and Access Trail, Yukon Training Area	5
2.2	Manchu Lake Fuel Break, YTA	7
2.3	Stuart Creek Impact Area Prescribed Burn, YTA	9
2.4	Proposed Demolition Range, YTA	12
2.5	Husky Drop Zone Improvements, YTA.....	15
2.6	Informational Kiosks, YTA.....	17
2.7	Moose Creek Fuel Break, YTA	20
2.8	Convoy Live Fire Range, YTA	22
2.9	Military Working Dog Facility.....	26
2.10	Security Fence.....	28
2.11	Truck Loading Facility	32
2.12	NBC Complex Upgrades.....	34
2.13	Warrior Forward Operating Base	36
2.14	Alpha Impact Area Proposed Burn, TFTA.....	39
2.15	Site Re-locations , YTA.....	42
2.16	Firing Point Upgrades, YTA	46
2.17	Road Upgrades, YTA.....	49
3.0	FORT RICHARDSON.....	53
3.1	Engineer Expressway and Firing Points 7, 8 and 9 Upgrades.....	55
3.2	Ship Creek, Davis Highway and Otter Creek Gravel Pit Expansions.....	57
3.3	Military Working Dog Facility.....	60
3.4	Clunie Lake Road Upgrades.....	61
3.5	Bulldog Trail Upgrades	63
4.0	REFERENCES	65
